

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

180 Excavator

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

360 Tracked Excavator

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

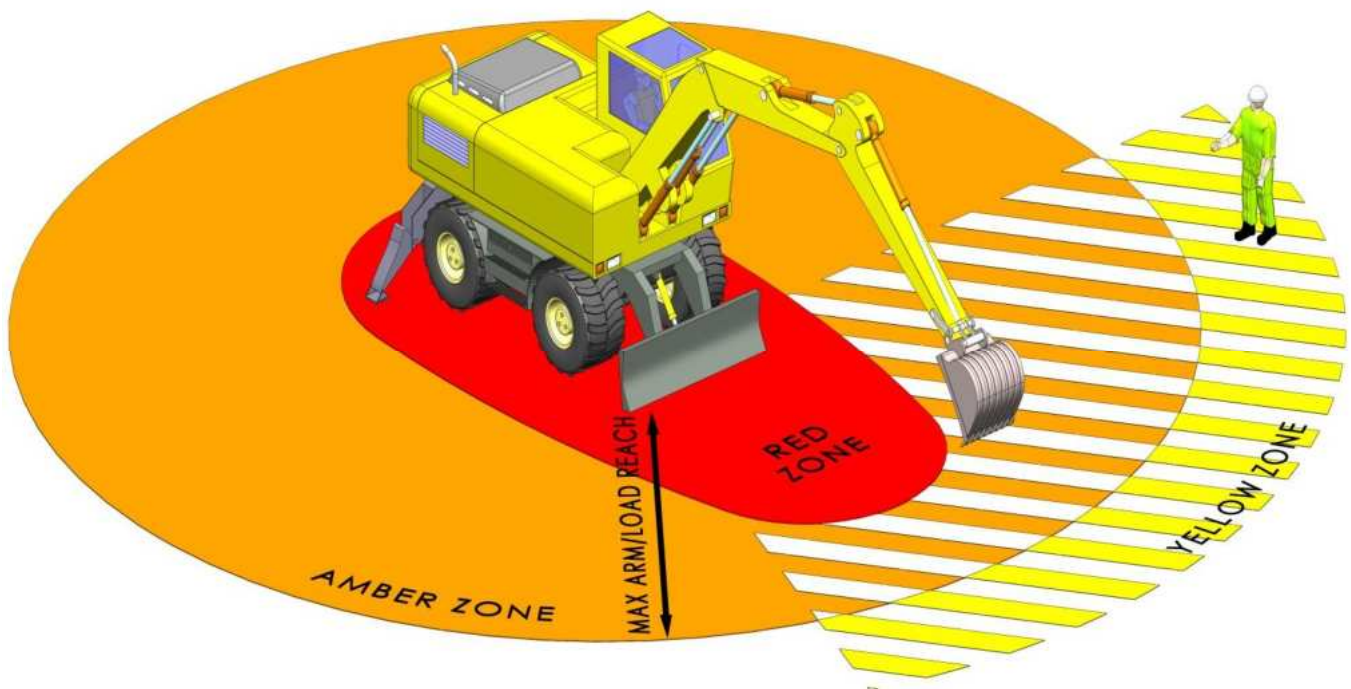

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

360 Wheeled Excavator

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

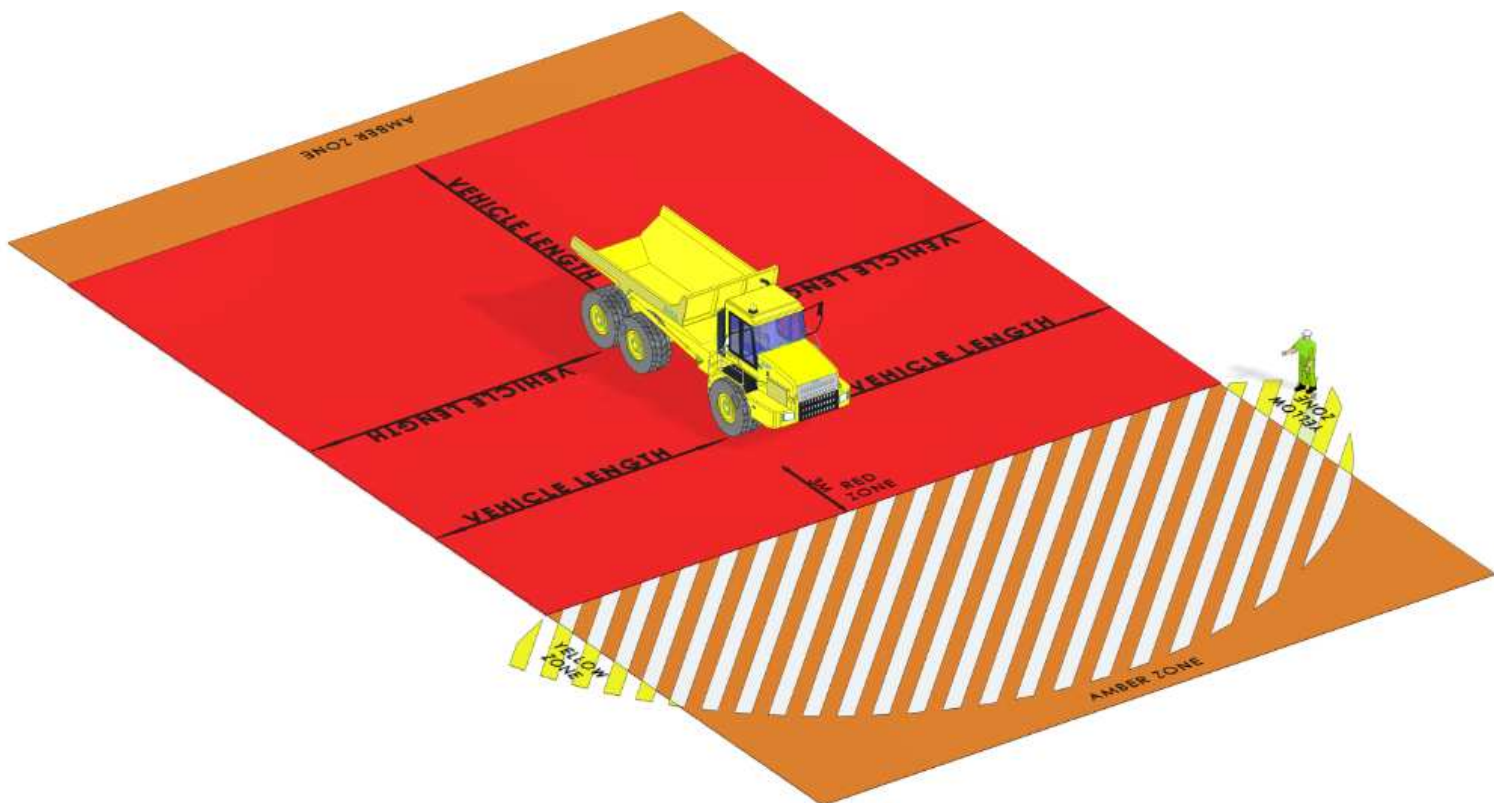

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Articulated/Rigid Dump Truck

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

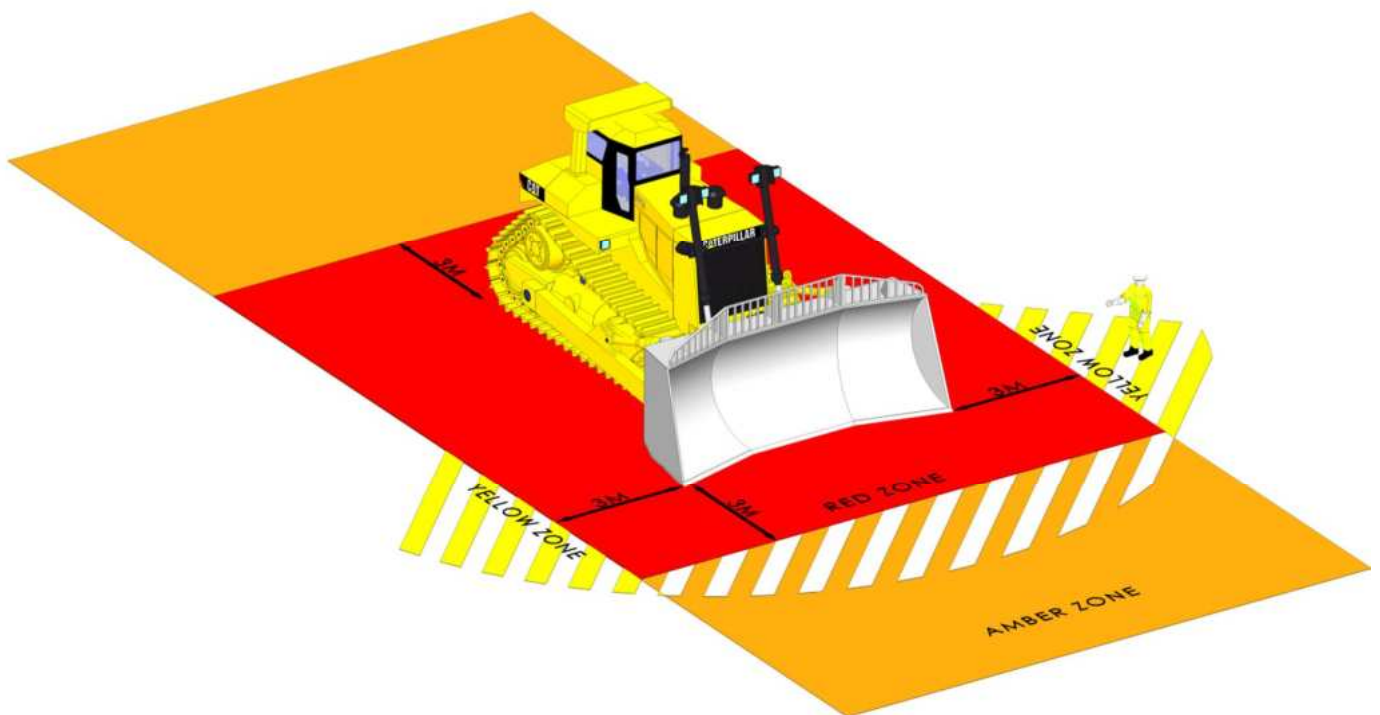

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Dozer

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

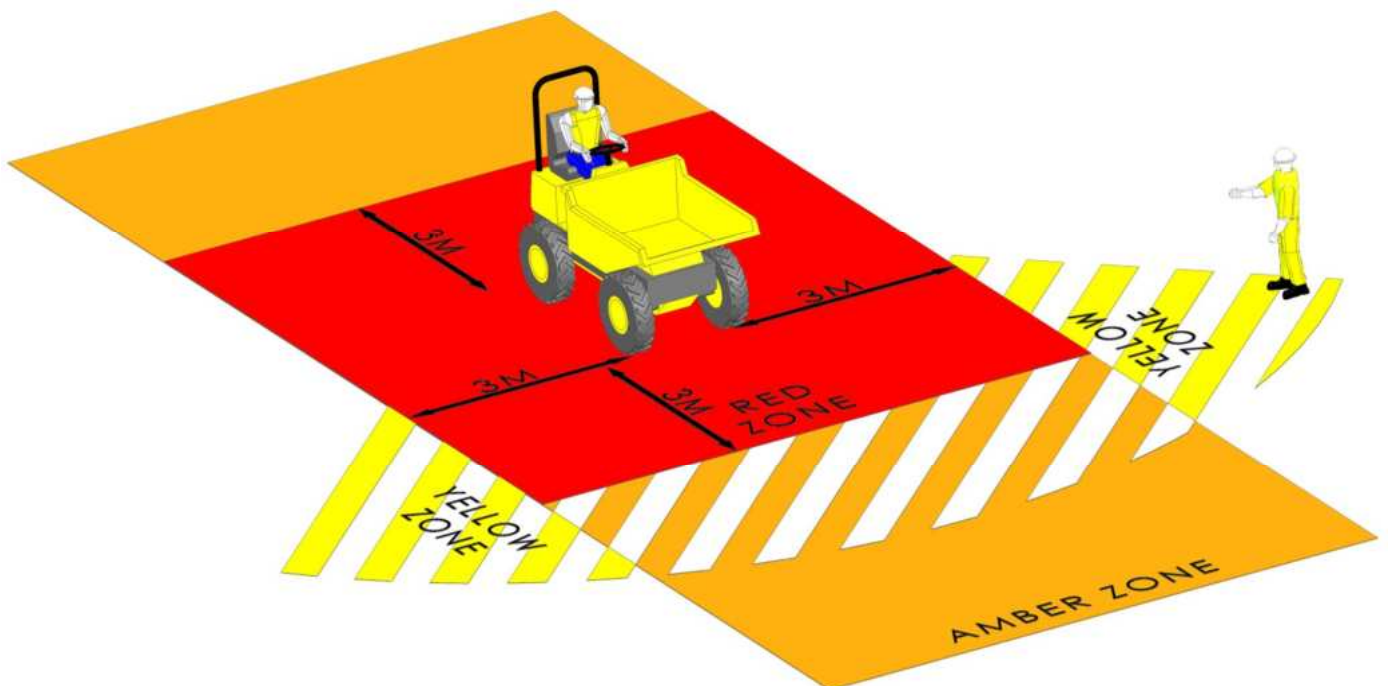

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Forward/Swivel Tipping Dumper

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

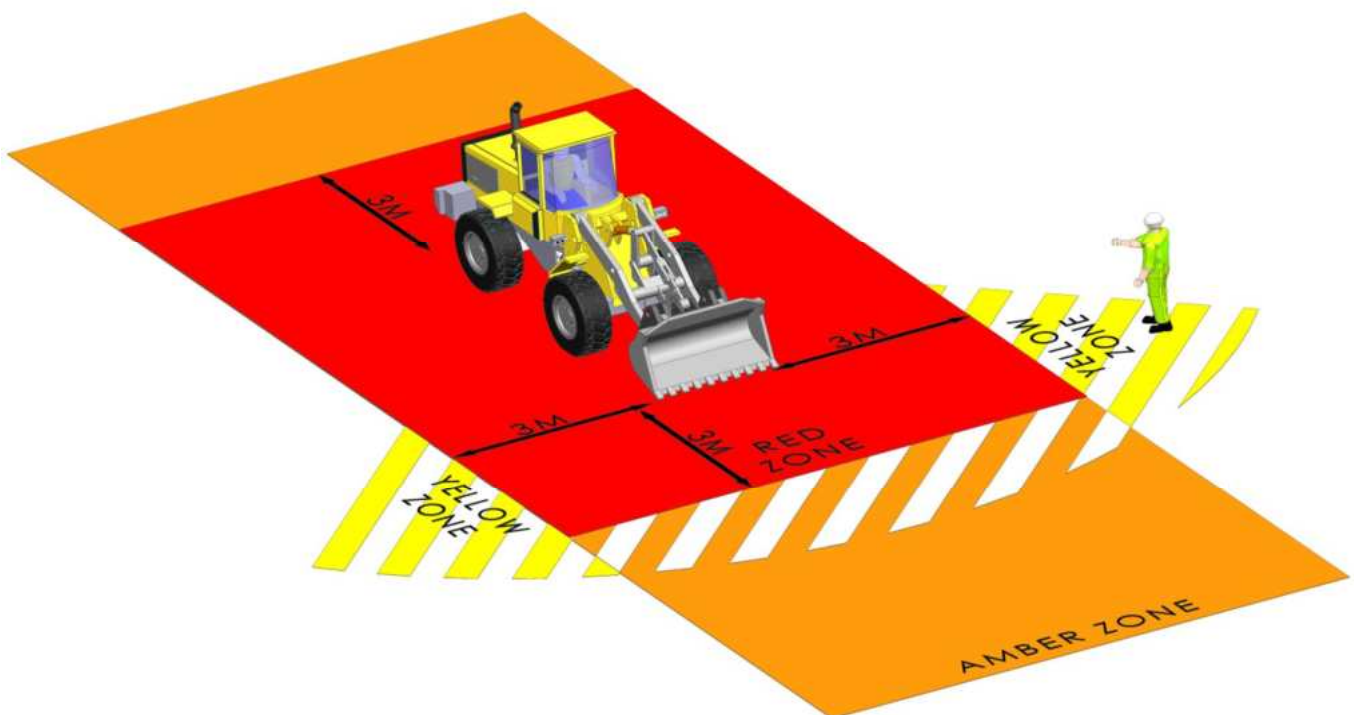

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Front Loading Shovel

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

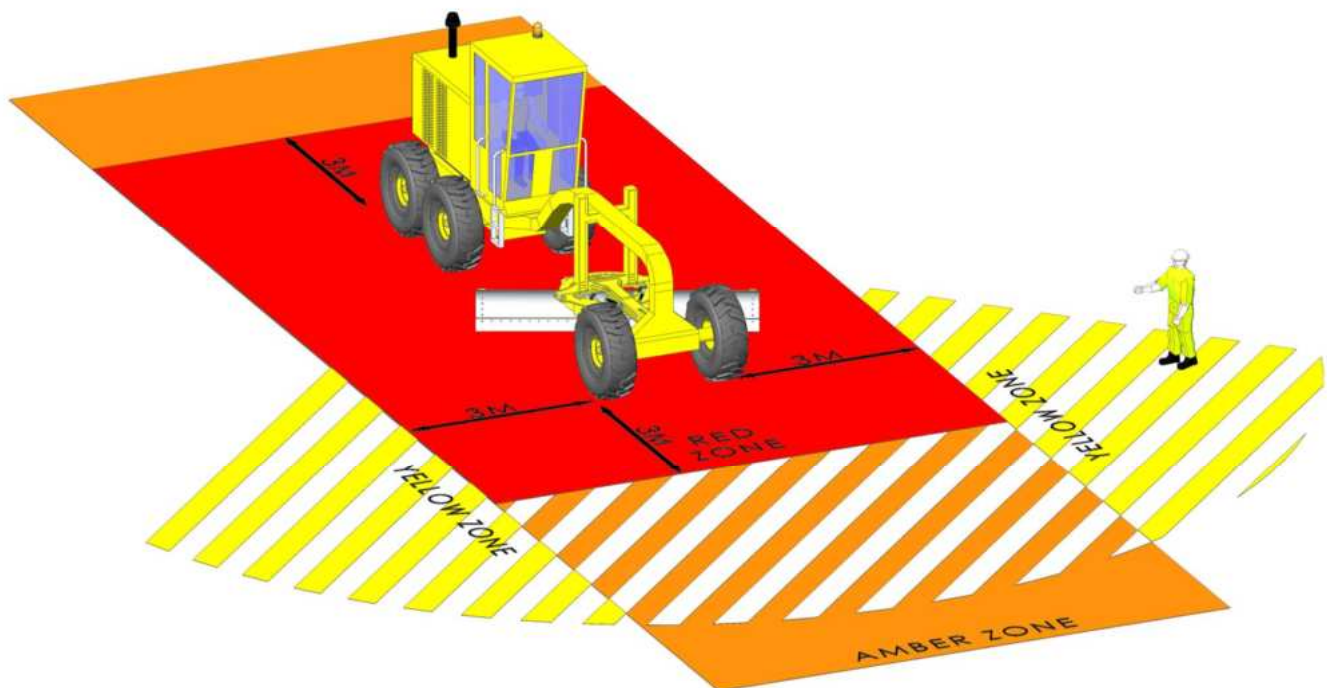

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Grader

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

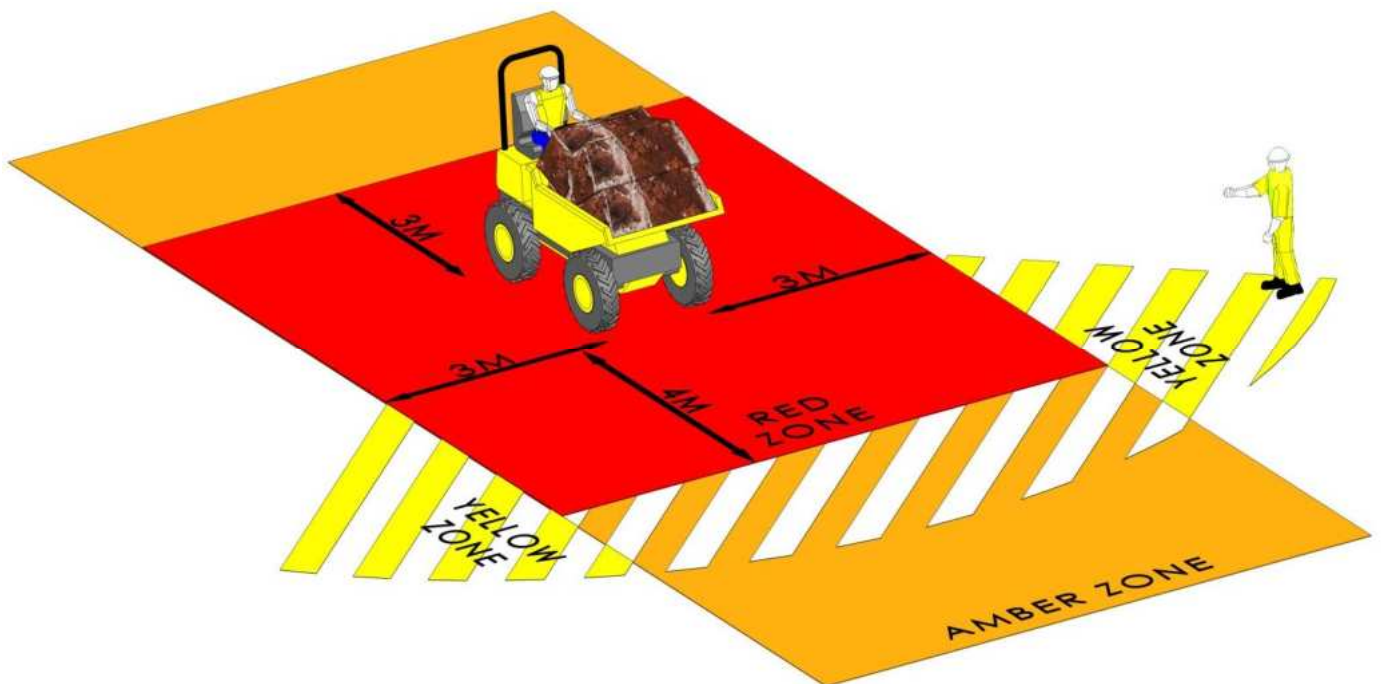

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Loaded Forward/Swivel Tipping Dumper

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

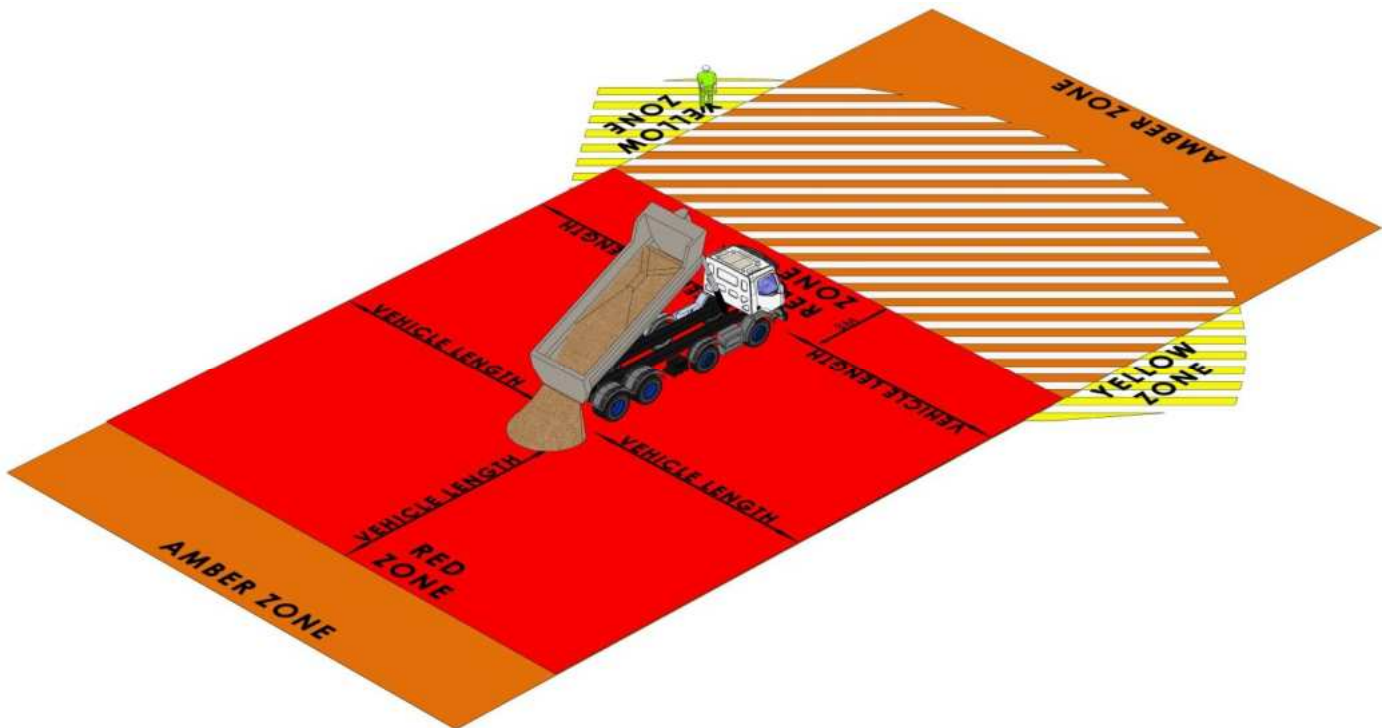

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Lorry - Tipping

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

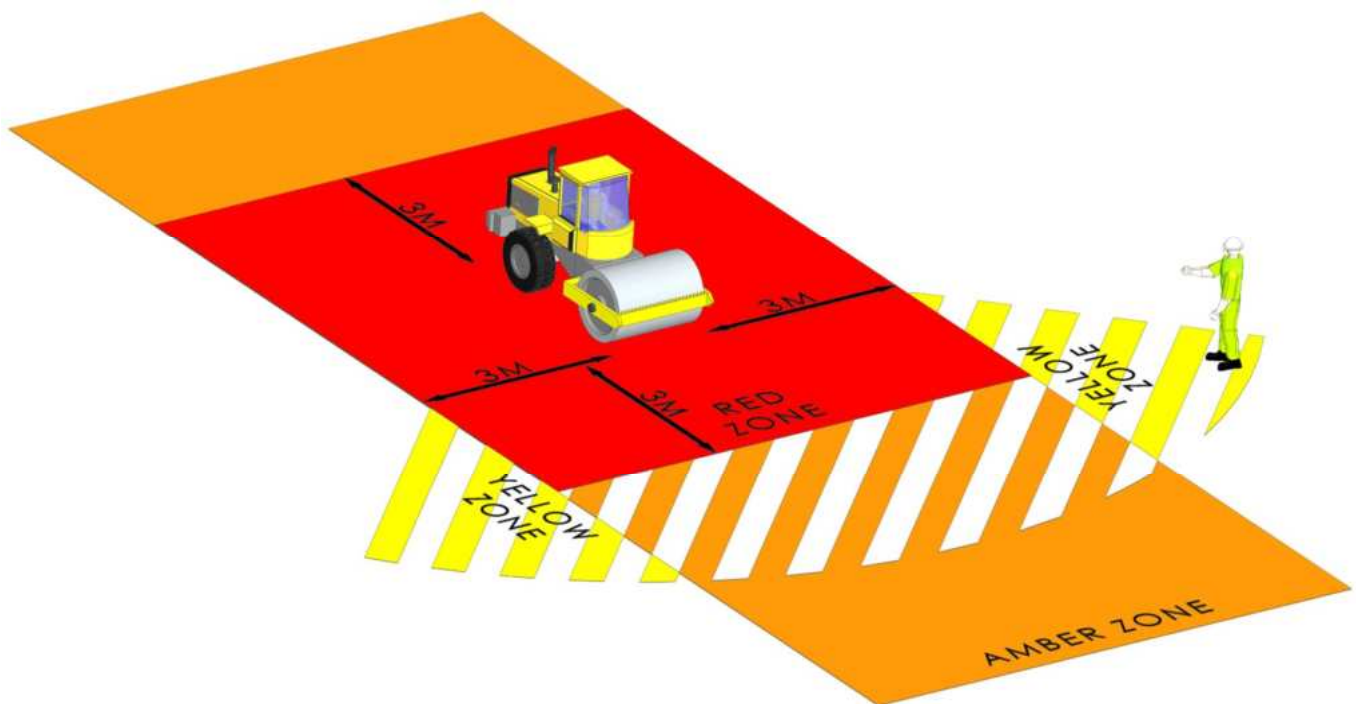

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Roller

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

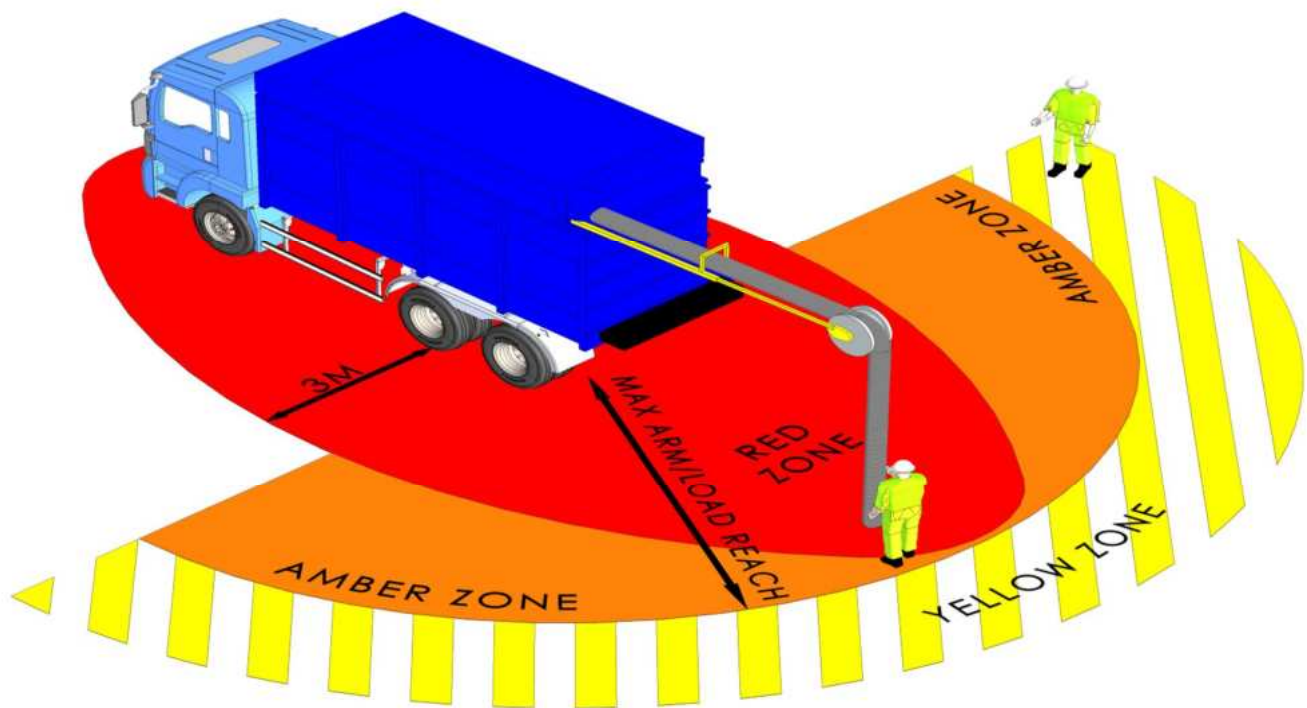

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Suction Excavator

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

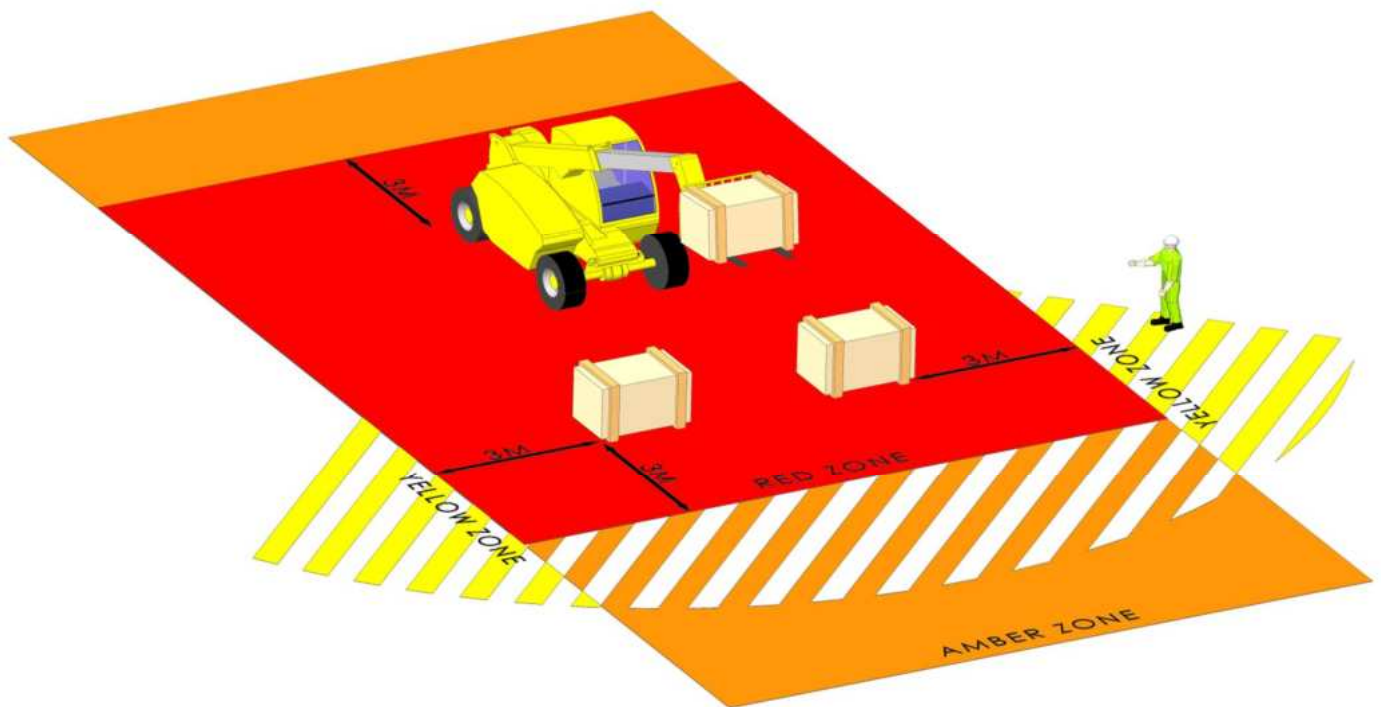

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Telehandler

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

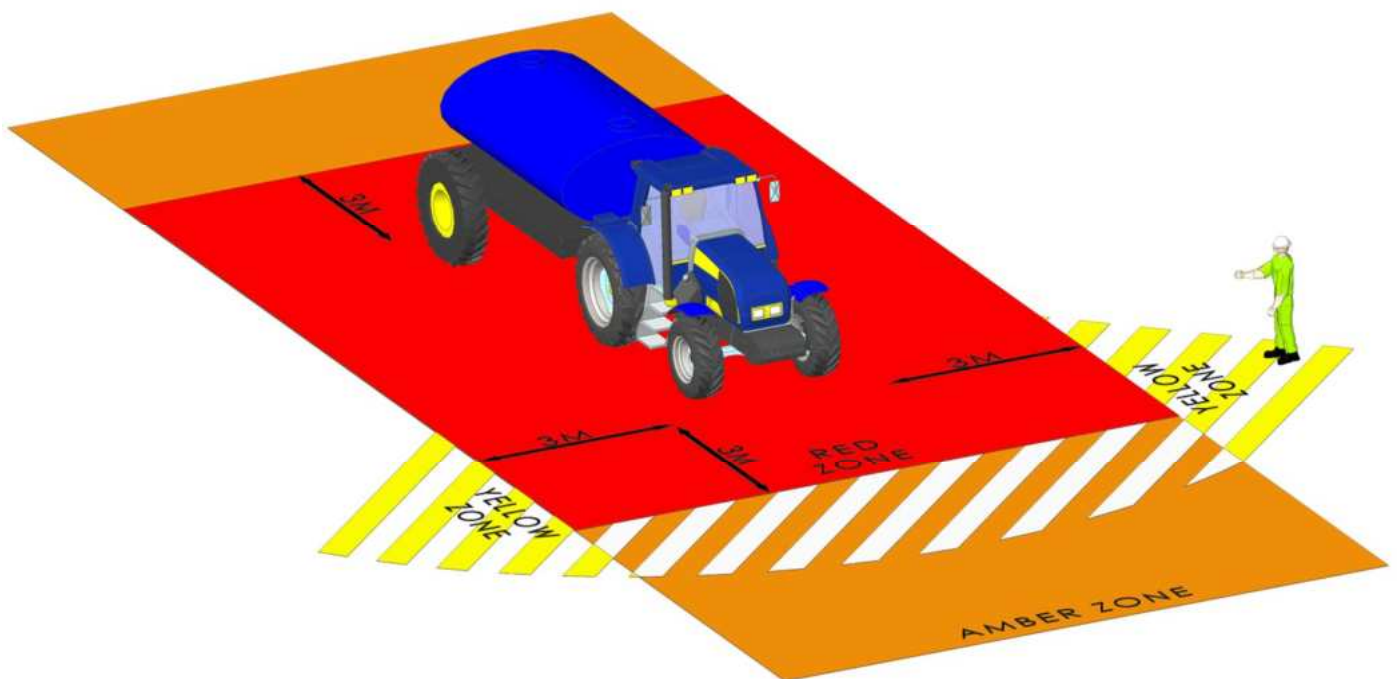

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Tractor

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

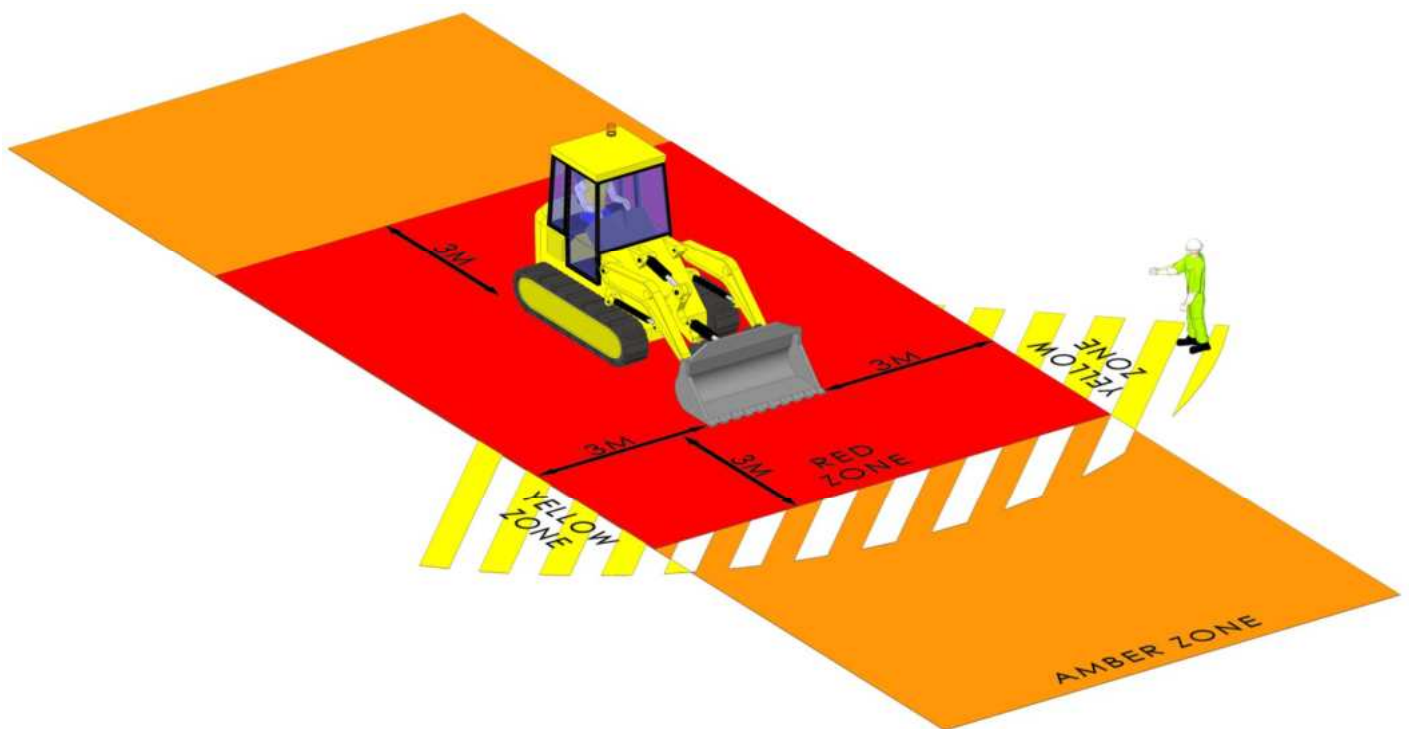

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Traxcavator

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

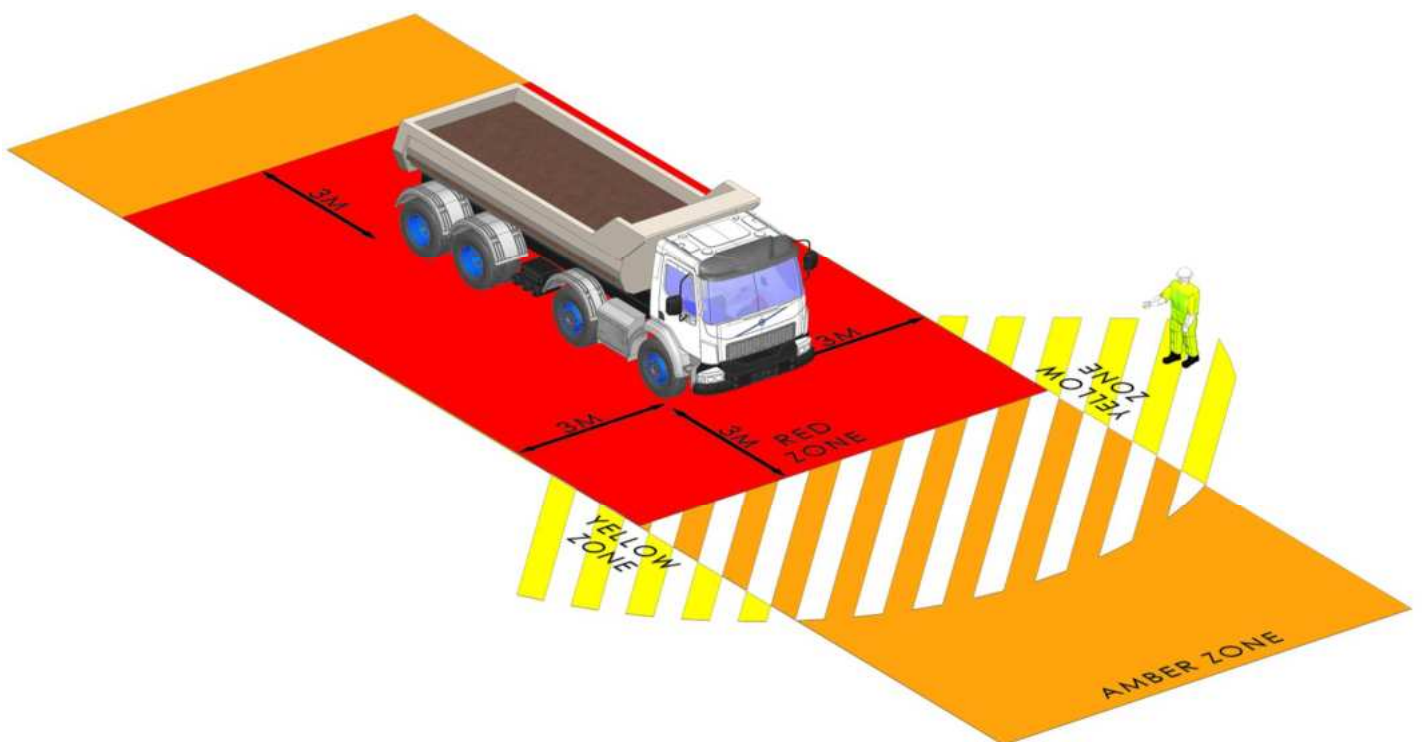

Hatched Zone

Denotes typical sight lines of the plant operator

People Vehicle Plant Interface

DO YOU KNOW YOUR SAFE ZONES?

Vehicles, Vans and Lorries

Plant Interface Zones

People, vehicle and plant interface must be planned and controlled by application of the hierarchy of control (HSF-PR-0047)

Hatched Zone

Denotes typical sight lines of the plant operator
